# Scott E. Friedman, Esq.

---

## **Managing Partner**

### **Lippes Mathias Wexler Friedman**

Mr. Friedman is a co-founder and board member of Photolitec, LLC, as well as a Managing Partner at Lippes Mathias Wexler Friedman LLP. As a partner in the firm's business and financial transactions group, Mr. Friedman concentrates his practice on general business matters, with particular emphasis on venture capital financing transactions and on representing family-owned and closely-held businesses as well as professional partnerships.

Mr. Friedman received his J.D. in 1983 from the Washington University School of Law and is admitted to practice law in New York and Pennsylvania. He is a member of the Erie County Bar Association, New York State Bar Association, Pennsylvania Bar Association, and American Bar Association.

In addition to his associations with Photolitec and Lippes Mathias Wexler Friedman, Mr. Friedman's professional and business affiliations include co-founder and board member to several companies including: Simulated Surgical Systems, LLC (a robotic surgery simulation training company); Harvest Precision, Inc. (company developing proprietary ceramic materials with precision machining); New Buffalo Shirt Factory, Inc. (apparel manufacturing company with facilities in New York and Honduras) and IsoFlux, Inc. (a high tech coating company with focus on medical devices).

Mr. Friedman is also Co-Founder and Manager of several companies with investment partnerships and portfolio investments. These companies include: Niagara Gorge Partners, LLC; Niagara Gorge Venture Partners, LLC; NuMax, LLC; and Madison Venture Partners, LLC.

Mr. Friedman has lectured extensively and is the author of numerous articles and several books. His business law journal articles include publications in Family Business Magazine, Estate Planning, Journal of Limited Liability Companies, Delta Sky Magazine; and the New York State Bar Journal. He has also contributed to and been quoted in numerous articles for Forbes, Business Week, Success Magazine, USA Today, and Business First.
